ΔΦΕ AND NPC GUIDELINES

Once recruitment has started, alumnae and collegiate members from other campuses must NOT contact members of the collegiate chapter to inquire about progress. Members should neither expect to receive any information about the status of a specific potential new member nor expect to receive new member list information. Members are also prohibited from sending food or gifts in any form to the chapter on behalf of a potential new member. Breaking Panhellenic rules may cause the chapter to be penalized.

Introductions offer beneficial information to the chapter/colony. However, having a recommendation does not guarantee an invitation or membership.

1. Send an e-mail to the sister acknowledging you have received the form.
2. After recruitment, shred or destroy all forms on women who join DPhiE or another chapter.
3. Retain forms for women who remain unaffiliated for four years.
