DELTA PHI EPSILON HAZING POLICY

No chapter, colony, collegian, or alumna shall conduct or participate in hazing activities. Hazing is defined as an action taken or situation created intentionally, whether on or off campus or sorority premises, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: paddling in any form; creation of excessive fatigue; physical and psychological shocks, quests, treasure hunts, scavenger hunts, road trips, and other activities carried on outside or inside the confine of the chapter house; the forced wearing in public of apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities which are not consistent with state, federal, or local law, sororal law, ritual policy, or regulations and policies of the educational institution.

Delta Phi Epsilon goes on record as having a strong opposition to any form of hazing or situation that may be construed as any form of hazing. It is, therefore, incumbent upon each and every chapter/colony and sister, new member, alumnae, and advisor to prevent any form of hazing.

Recognizing that individuals may differ as to what constitutes as hazing, suffice it to say that regardless of differences in any form, it is both illegal and detrimental to the individual(s) being hazed. Each chapter/colony must make a firm commitment to eliminate any form of hazing or undignified behavior that could conceivably be regarded as hazing.

Any chapter/colony or member participating in hazing of any form will be suspended by the International Governing Board and fined.
